

Greetings **KeepTruckin** Team,

I am writing to apply for the advertisement of Job Openings for **Software Engineer – Growth (Frontend)**. As requested, I enclose a completed job application, my education, my resume, and portfolio.

The role is very appealing to me, and I believe that my good knowledge of OOP, Database, Data Structure, Understanding of Web Architecture, and education make me a highly competitive candidate for this position. My key strengths that would support my success in this position include:

- I have successfully designed, developed, and supported Web Applications using ASP.NET MVC Framework. Web flow, WordPress, Vue.JS.
- I strive continually for excellence.
- I have good Leadership skills and a Team Player.

With a BS degree in Computer Science, I have a comprehensive understanding of the full lifecycle for software development projects. I also have experience in learning and applying new technologies as appropriate. Please see my resume for additional information on my experience.

I can be reached anytime via email at **fahadashiq30@gmail.com** or by cell phone, **0334-4910553** and my GitHub portfolio is: <https://github.com/fahadashiq12>

Thank you for your time and consideration. I look forward to speaking with you about this employment opportunity.

Best Regards,

Fahad Bin Ashiq
